WELCOME TO THE DINAH 2017

TAKING PLACE IN BEAUTIFUL PALM SPRINGS!

What a year it has already been.

We've seen a dramatic change in our Government's administration and we've witnessed a country rocked to its core by division. We LGBTQ Americans feel especially vulnerable when we see the kind of push-back we are seeing, and not just for ourselves, but for all groups who stand to lose, because we know first hand what this feels like and we don't want to see this happen for anyone.

For 27 years, The Dinah has been energizing us by allowing us the freedom to be who we truly are and gain a tremendous amount of self-worth--this year more so than ever. We take five days off to celebrate our lives, our triumphs, our unity, and this year our need to take a breather. But I'd like this Dinah to be a little different. I think The Dinah and YOU, our dear customers, all have an opportunity to make a huge statement in 2017, and if you like the idea, we'll incorporate it every year.

With that in mind, Friday, Saturday and Sunday at the pool party, we will give you a card when you enter that will have a politician's phone number and at 4:20 PM, we are going to text and call together with a unifying message. **Let's bring The Dinah to a new level.** The Dinah is an amazing world famous event and as such a viable platform where we are noticed in the media, and as such our voices are heard, so let's let them hear us loudly this year. Our voices now make for the new face of a changing nation - a nation that no matter what, is based on and celebrates diversity.

To up the ante, Tito's Vodka and The Dinah are together donating \$10,000 to offer our guests an opportunity to match this \$10,000 grant, earmarked for the work at the National center For Lesbian Rights (NCLR). Yep, we'll match you dollar for dollar up to \$10,000. Let's bring our community together and raise \$20,000 this weekend for charity, while having the time of our lives. Let's put our cell phones to good use cause all you have to do is text to this number **41444** with your pledge amount. Any amount is appreciated ;).

In addition, Sunday at 5 PM at the Pool Party, NCLR will be joining us on stage to close the festival with a call to action that will offer us some ideas on how to move forward in this climate with the intention to create positive change. So we end the party with a positive message to engage, be proactive and make change. **Let's all do our part to be trailblazers!**

I hope you like and will embrace this new angle. Above it all, what's most important is that you know we produce this event because we love to. Every year you remind us how important this event is through your sheer enjoyment conveyed throughout the weekend. We renew our dedication to make each year better than the last and unforgettable for you. So have fun this weekend, enjoy, live out loud, celebrate and if you can, give a little so we can take all that love and let it shine in a way that will make a big difference and a bigger statement about our community and how we are vigilant, even when we are taking a few days off. **Thank you for the honor of producing this event.**

As always we are humbled and thankful that you have chosen to join us this year, and we hope you find the Dinah to be everything you wished and more.

#resist!
